

Nigel Coates (1949 -)

Flame Vase

Circa: 2013

2013

United Kingdom

Glass

48 x 26 x 28 cm (18⁷/₈ x 10¹/₄ inches)

Literature:

Unique

Artist description:

Coates is one of Britain's consistently original thinkers in architecture, interior and product design. He has led a parallel and colourful career in teaching, design practice and artistically driven, internationally recognised work. In his thinking, narrative, he asserts, is a language of design that builds on people's everyday experience, form must follow fiction.
