Artist description:

Magnus Skogsberg & Mimmi Smart together form a vibrant, innovative luxury goods company creating bespoke products for the interior design market. Skogsberg & Smart started in 2008 with the launch of the hand blown Hurricane lamp, the company has since developed a number of exquisite glass pieces to compliment any design environment. The intricate and daring designs are achieved by the skilled artisans in Bohemia, home to the worlds most famous glassblowers, that hand blow and hand paint each individual item creating a unique bespoke piece with every turn.
