Artist description:

Cathryn Shilling began her arts career as a graphic designer but went on to study glass after moving to Connecticut with her family. On returning to the UK she studied kiln formed glass at Kensington and Chelsea College and blown glass with Peter Layton at the London Glassblowing Workshop. She set up her studio in London in 2007 from where she has gone on to create a huge body and variety of work.

Shilling experiments with colour and technique to produce beautiful one off sculptures. Her innovative pieces push the glass beyond our usual comfort zones. With some sculptures, glass rods are woven together like fabric, mimicking the flexibility and movement of cloth. The apparent frailty of the glass is

balanced by the strong dynamic forms, differing levels of light picking out layers of colour. With other works, bubbles are trapped in swathes of watery hues. Her colour palette and choice of forms are very much informed by the various natural states in which water is found: icebergs, waterfalls and whirlpools for example.

Shilling's work has been collected and widely exhibited internationally including: Aesthetica International Art Prize, York Gallery, York | Op Art Glass at the Imagine Museum, St Petersburg, Florida | From Many, One, Culture Object, New York | Ireland Glass Biennale 2019 at Dublin Castle | The 3rd Session of China·Hejian Craft Glass Design & Creation Exhibition and Competition, Ming Shangde Glass Museum, Cangzhou City, Hebei Province, China 2019 | TACTILE at Glazenhuis, Lommel, Belgium | New Acquisitions 2017 at Glasmuseum Lette, Coesfeld, Germany | Peter Bremers & Cathryn Shilling: A Two Person Exhibition at Schiepers Gallery in Belgium | The CGS Jubileum 20th Anniversary Exhibition at Etienne Gallery, Oisterwijk, Netherlands | The Taos Art Glass Invitational New Mexico, USA | BODYTALK at the Glasmuseet, Ebletoft, Denmark | East-West Artists Exhibitions in Kyoto, Japan and London.

She has exhibited at the British Glass Biennale in 2010, 2012, 2015, 2017, 2019 and in 2017 her collaboration with Anthony Scala won the Craft & Design Award. She has twice exhibited as a finalist in the Emerge Juried Kiln-glass Exhibition at Bullseye Projects, Portland, Oregon, USA.
