'Celebration at The Dorchester'
SBID International Design Awards 2014

Midas Jar by James Lethbridge

Vessel Gallery is based in Notting Hill, London and was founded in 1999 to represent British and international, emerging and established, contemporary glass artists.

All pieces have been carefully edited to show an unparalleled selection of contemporary design and craft. In addition to our represented and permanent artists and brands is 'Vessel Editions', exclusive editions of decorative artworks and lighting solutions for collectors, architects and interior designers created in collaboration with studio glass artists, mostly handcrafted in the UK.

Vessel also consults for interior and corporate projects, providing the opportunity to have a truly bespoke service with unique works created in dialogue with the client. The gallery is a valuable resource for artists, museums and collectors. Numerous artworks have entered prestigious public collections as a direct result of the Gallery's exhibitions and advocacy.
