

# VESSEL GALLERY

Celebration at The Dorchester

SID International  
Design Awards 2015

Vessel Gallery is based in Notting Hill, London and was founded in 1999 to represent British and international, emerging and established glass artists. In addition to their permanent collections and exhibition programme created in collaboration with studio artists is 'Vessel Gallery Editions', exclusive editions of decorative artworks and lighting solutions for collectors, architects and interior designers.

Fundamental to the superior skills demonstrated is the ability for all pieces to be commissioned to bespoke requirements with an aspect of daring, to challenge the material in innovative ways and take it to new limits.
